# COMPANY PROFILE

# About Us:

We empower industrial and manufacturing enterprises across Egypt and the region through operational excellence, sustainable growth, and strategic innovation. Backed by seasoned consultants and deep sector expertise, we deliver data-driven solutions from strategy design to implementation. We partner with organizations of all sizes to enhance performance, unlock value, and drive long-term competitiveness.

## VISION

To lead industrial transformation across Egypt and the region - empowering businesses to innovate, operate sustainably, and unlock their full potential for long-term economic growth.

## Mission

We empower industrial enterprises to achieve operational excellence and sustainable growth through customized consulting, data-driven insights, and strategic partnerships that enhance performance and competitiveness.

## Core Values:

### **INTEGRITY :**

We uphold the highest ethical standards, fostering trust and transparency in every engagement.

### **INNOVATION:**

We embrace creativity and technology to deliver forward-thinking solutions for evolving industrial challenges.

### **EXCELLENCE:**

We pursue quality, precision, and measurable impact in all that we do.

### **COLLABORATION :**

We believe in partnership—working hand-in-hand with clients, government, and industry leaders to drive success.

### **SUSTAINABILITY:**

We are committed to creating long-term value for businesses, communities, and the environment.

### **BRAND ESSENCE:**

Your Partner in Industrial Excellence and Sustainable Growth.

## ***OUR APPROACH IS DEFINED BY:***

- A client-centric mindset :customized to each organization's context and goals.
- A focus on industrial systems and operational performance: embedding practical solutions that drive measurable results.
- A commitment to sustainable value creation building competitiveness, resilience, and long-term impact.
- A local-first mindset with regional reach rooted in Egypt's industrial ecosystem, aligned with global standards.
- **At Abdel Fattah Consulting, we partner with you to unlock your business's full potential. Whether you are entering a new market, launching a transformation program, or scaling for the future, our mission is to be your trusted advisor and partner in industrial excellence.**

# OUR SERVICES

## 1 Feasibility Study

We provide comprehensive feasibility studies that evaluate the technical, financial, and market viability of industrial projects. Our analyses help investors and business owners make informed decisions, reduce risk, and ensure successful project execution from concept to operation.

## 2 Economic Reports

We develop tailored economic and sectoral reports that provide clients with actionable insights into market trends, competitive landscapes, and regulatory environments. These reports support strategic planning, investment evaluation, and policy alignment.

## 3 Business Strategy & Development Feasibility Study

We design and assess business strategies that align with market dynamics and organizational goals. Our integrated feasibility and strategy studies combine financial projections, operational modeling, and growth planning to guide sustainable business expansion.

# OUR SERVICES

## 4 Investment Analysis & Strategic Development

We combine investment evaluation with strategic planning to help clients optimize capital allocation and enhance competitive positioning. Our team delivers structured analyses that link financial viability with long-term strategic objectives.

## 5 Financial Management & Marketing Solutions

We provide holistic financial and marketing consulting services to strengthen performance and profitability. From budgeting and cost analysis to brand positioning and market entry strategies, we help organizations align financial health with strategic market growth.

## 6 Investment Opportunities Analysis

We identify, evaluate, and prioritize high-potential investment opportunities across Egypt's industrial sectors. Using data-driven market intelligence and economic insights, we support clients in selecting ventures that deliver sustainable returns and strategic value.

# **OUR SERVICES**

## **7 Establish Businesses**

(Commercial Register – Tax ID – Corporate Newspaper, etc.)

We offer end-to-end business establishment services, supporting clients in company registration, tax setup, and legal documentation. Our process ensures a smooth, compliant, and efficient start for new ventures in Egypt's industrial ecosystem.

## **8 Governmental Industrial Procedures**

We assist clients in navigating complex governmental and regulatory frameworks to obtain industrial licenses, permits, and approvals. Our team ensures full compliance with industrial laws and procedures, accelerating project setup and reducing administrative hurdles.
